 Pee Dee Federal Credit Union

Introducing... Text Banking!

LETTER FROM THE CEO :

→ Robin Williamson

The concept of credit unions is simple, it's people helping people. As your credit union in Florence, we are constantly looking for ways to help you get ahead financially. During this time when the cost of living is soaring, we would like to

offer you the opportunity to lower your monthly loan payments to help ease the pain in your family budget. I personally invite you to stop in and let us see if we can assist you in lowering your monthly payments on everything from auto loans, home equity loans, VISA and personal loans. Compared to other financial institutions in our community, we offer very competitive rates and in many cases will try and match rates from other financial institutions. If you'll spend a few minutes with us, we'll do our best to help you save money!

Sincerely,
Robin Williamson, CEO Pee Dee FCU
